- ## Docket D2000.6.80 Additional Voluntary Rate Reduction. Effective 10/08/02 and reductions are reflected in the August 30, 2002 Exhibit A.
- ### Docket D2000.6.80 Additional Voluntary Rate voluntarily deaveraged to be consistent with the deaveraged loop rate. Deaveraging approach subject to review in the next phase of the cost docket. Effective 10/08/02 and reductions are reflected in the August 30, 2002 Exhibit A...

Docket D2000.6.80 Third Rate Reduction.-Effective 10/29/02 and reflected in the August 30, 2002 Exhibit A.

- [1] Rate not addressed in Cost Docket (estimated TELRIC)
- [2] Market-based rates
- [3] ICB, Individual Case Basis pricing.
- [4] Rates per FCC Guidelines. In 1978, Congress enacted section 224 of the Communications Act which granted the FCC the authority to regulate the rates, terms, and conditions governing pole attachments. Pole Attachment & Innerduct Occupancy rates were revised in 9/8/04 Exhibit A to reflect newly calculated rates.
- [5] Qwest has agreed to a bill and keep arrangement for EICT, pursuant to 271 workshops.
- [6] The preliminary engineering and planning costs are included in the caged and cageless space construction charges. These engineering and planning charges are also included in the caged and cageless quote preparation fees. Upon completion of the collocation construction, these quote preparation fees will be credited to the final space construction charge for the collocation job.
- [7] Effective 8/1/03, Qwest will not bill the recurring and nonrecurring charges for Channel Regeneration. Qwest reserves the right to revert back to the contractual rate only after appropriate notice is given.
- [8] The Cable Unloading / Bridge Tap Removal Charge of \$110.00 approved in Docket No. D2000.6:89 Order No. 6260b does not apply until further notice.

 [8] Qwest is reinstating the Cable Unloading / Bridge Tap Removal Charge effective 3/14/05.
- [9] Qwest has not implemented deaveraged Shared Loop. Rate reflects the lowest zone rate.
- [10] Qwest has not implemented the NID recurring charge, but reserves the right to assess such a charge in the future.
- [11] All technically feasible Vertical Switch Features are available with compatible unbundled switch ports. Only basic Vertical Switch Features with nonrecurring charges are listed. Nonrecurring charges are applicable whenever a feature is added - whether on new installation, conversion, or change order activity.
- [12] Owest will utilize the Commission TELRIC ordered rates for this element. However, Qwest reserves its right to implement market based prices sometime in the future pursuant to CC Docket No. 96-98, paragraphs 278-287.
- [13] Qwest will not charge for this element until the Commission has an opportunity to review and approve a rate in a cost proceeding.
