#### NOTES

Unless otherwise indicated, rates are pursuant to Wyoming Public Service Commission dockets:

- A: Ordered in Docket Number 70000-TA-01-700, effective 7/1/02.
- # Voluntary Rate Reduction, Docket 70000-TA-00-599, Effective 7/10/02. Reductions reflected in the 7/1/02 Exhibit A.
- ## Second Voluntary Rate Reduction, Docket 70000-TA-00-599, effective 7/10/02. Reductions reflected in the 8/29/02 Exhibit A. ### Third Voluntary Rate Reduction, Docket 70000-TA-00-599, effective 12/16/02. Reductions reflected in the 8/29/02 Exhibit A.
- [1] Rate not addressed in Cost Docket (estimated TELRIC)
- [2] Market-based rates not proposed in Cost Docket
- [3] ICB, Individual Case Basis
- [4] Rate per FCC Guidelines.
- [5] Qwest has agreed to a bill and keep arrangement for EICT, pursuant to 271 workshops
- [6] The preliminary engineering and planning costs are included in the caged, and cageless space construction charges. These engineering and planning charges are also included in the caged and cageless quote preparation fees. Upon completion of the collocation construction, these quote preparation fees will be credited to the final space construction charge for the collocation job.
- [7] Effective 8/1/03, Qwest will no longer charge the Recurring and Nonrecurring Charges for Channel Regeneration. Qwest reserves the right to revert back to the contractual rate only after appropriated notice is given.
- [8] The Cable Unloading/Bridge Tap Removal charge does not apply until further notice.
- [8] Qwest is reinstating the Cable Unloading and Bridge Tap Removal Charges effective 3/14/05.
- [9] Qwest has not implemented deaveraged Shared Loop. Rate reflects the lowest zone rate.
  [10] Qwest has not implemented the NID recurring charge but reserves the right to assess such a charge in the future.
- [11] All technically feasible Vertical Switch Features are available with compatible unbundled switch ports. No monthly recurring charge applies for Basic Vertical Switch Features. Only Basic Vertical Features with non-recurring charges are listed. Non-recurring charges are applicable whenever a feature is added whether on new installation, conversion, or change order activity.
- [12] Qwest will utilize the Commission TELRIC ordered rates for this element. However, Qwest reserves its right to implement market based prices sometime in the future pursuant to CC Docket No. 96-98, paragraphs 278-287.
- [13] A special request is a request by the customer to perform something that is technically feasible but the process and pricing are not yet in place.
  [14] Qwest will not charge for this element until the Commission has an opportunity to review and approve a rate in a cost proceeding.
